Adjustable touchscreen kiosks

Elephant Kiosks design and develop exciting kiosk and software products especially for the family and community sector. Our kiosks are fully accessible and can be adjusted to suit the needs of the end user; they can be altered from child to adult height and are perfect for wheelchair users. We pride ourselves on delivering fantastic products and

Friendly

excellent customer service that doesn't stop with the installation of the product.

We work in partnership with leading design and technology companies to provide quality products and services that meet the needs of our customers and end users. All of our delivery partner organisations have met the ISO9001:2000 quality and reliability standard. Our products are fully Disability Discrimination Act (DDA) compliant and meet the requirements of the new Disability Equality Duty.

The Founder and Managing Director of Elephant Kiosks Ltd is Annette Walker. Annette has over 20 years experience in this field, with a unique mix of senior management, technical, and public sector information delivery expertise. She received an MBE in the 2003 New Years Honours list for services to Childcare.

Latest News

We are all very excited about the overwhelming interest that we have been getting and will shortly be announcing some new products and really fantastic new software options developed in partnership with SoftSmart uk; giving even more added value to our serviced kiosks.

In the meantime we are starting to roll out our kiosks across the UK installing them in museums, children's centres, extended schools and other locations. The fully serviced, totally accessible kiosks have been

designed especially for the children's services market they come in a wide range of colours and are individually branded for each customer and location.

One-touch tilt and lift adjustment from 750mm to 1210mm
